FREQUENTLY ASKED QUESTIONS

What is the level of play?

Our coaches are literally WORLD CLASS so our goal is to improve each player on THEIR level. Players should not be concerned with the level of other players, they should focus on what these coaches bring to the table and how they can benefit on a personal level by this amazing experience. The experience is theirs for the taking.

How do I tryout?

It's easy. Fill out the application on the last page of this document and send it over to volleyalliance@gmail.com

What is the coaching like?

World Class. Literally. We will have former Olympians, US National Team Players, Coaches, Division I All-Americans, NCAA Coaches and Foreign Professional coaches participating in the camp. You will also be practicing with Foreign Club Coaches and players. You MUST **Go to www.VolleyAlliance.com and click on the Play in Europe-Indoor Tab and read the coaching bios!**

What does my \$1900 Cover?

That price includes all hotels, ground transportation, meals, and team sightseeing activities. Personal items and extra snacks and souvenirs are on you! This also does not include entrance to museums or special entertainment. (IT IS IMPORTANT TO NOTE THAT WE TRAVEL ON PRIVATE MOTOR COACH, NOT PUBLIC BUSES OR TRAINS)

Why is airfare separate?

We keep airfare separate for a few reasons. Some people have miles or passes that they may be able to use, we will have players coming for many different cities and tickets costs vary from different airport and it's actually less expensive to buy a single ticket as opposed to a group. We also often have players and families wanting to travel in Europe before and after the trip.

Will I be traveling to Europe alone?

Short answer is POSSIBLY, BUT we can put you in contact with other players and coaches in your area that you may be able to travel with. Parents are also welcome to come along; Please contact us about pricing for parents. You will be met upon your arrival in Bologna. We will be closely tracking departure and arrival times so no one will be left alone. Last year we were able to get 6 people on the same flight! Players under 16 must be accompanied by an adult or have a responsible adult in their group.

Can my parents come?

Yes! We have had many make this a family vacation in the past; it's a wonderful experience for the whole family. They can either make their own arrangements or are welcome to travel with us. Deposits are due at the same time. We are arranging some special outing for those parents who would like to have some fun!

Do I need a passport?

Yes! Get one right away as they can take up to 6 weeks.

Other details such as currency exchange and logistics will be addressed once the team has been chosen and we are getting closer to travel.

Can I see the coaches profiles?

Yes! Go the www.volleyalliance.com and click on the play in Europe-Indoor tab. You will see all coach's profiles!

We arrive in Italy on the 18th but we don't start camp until the 19th. What do I do for that night?

It's important to arrive the day before so that we can be ready to head to training camp the morning of the 19th. You are not required to stay with the group on the night of the 18th, but we will be making a group reservation at a convenient hotel for those that would like to be with the coaches and group.
