## FREQUENTLY ASKED QUESTIONS

### **What is the level of play?**

Our coaches are literally WORLD CLASS so our goal is to improve each player on THEIR level. Players should not be concerned with the level of other players, they should focus on what these coaches bring to the table and how they can benefit on a personal level by this amazing experience. The experience is **yours** for the taking.

### **Do I need a partner?**

No! You are welcome to come with a partner but it's not necessary. We will pair you with someone for the competitions.

### **How do I tryout?**

It's easy. Fill out the application on the last page of this document and send it over to [volleyalliance@gmail.com](mailto:volleyalliance@gmail.com)

### **What is the coaching like?**

World Class. Literally. We will have former US National Team Players, Division I All-Americans, Former American Beach Pros and Foreign Professional coaches participating in the camp. You will also be practicing with Foreign Club Coaches and players. **Go to [www.VolleyAlliance.com](http://www.VolleyAlliance.com) and click on Play in Europe-Beach**

### **What does my \$1900 Cover?**

That price includes all uniforms, hotels, ground transportation, meals, and team sightseeing activities. Personal items and extra snacks and souvenirs are on you! This also does not include entrance to museums or special entertainment.

### **Why is airfare separate?**

We keep airfare separate for a few reasons. Some people have miles or passes that they may be able to use, we will have players coming for many different cities and tickets costs vary from different airport and it's actually less expensive to buy a single ticket as opposed to a group. We also often have players and families wanting to travel in Europe before and after the trip.

### **Will I be traveling to Europe alone?**

Short answer is POSSIBLY, BUT we can put you in contact with other players and coaches in your area that you may be able to travel with. Parents are also welcome to come along; Please contact us about pricing for parents. We will be tracking departure and arrival times for those traveling alone. Players under 16 must travel with an adult.

### **Can my parents come?**

Yes! We have had many make this a family vacation in the past; it's a wonderful experience for the whole family. They can either make their own arrangements or are welcome to travel with us. Deposits are due at the same time. We are arranging some special outing for those parents who would like to have some fun!

### **Do I need a passport?**

Yes! Get one right away as they can take up to 6 weeks.

Other details such as currency exchange and logistics will be addressed once the team has been chosen and we are getting closer to travel.

### **I arrive in Italy on the 17<sup>th</sup> but we don't start camp until the 18<sup>th</sup>. What do I do for that night?**

It's important to arrive the day before so that we can be ready to head to training camp the morning of the 18<sup>th</sup>. You are not required to stay with the group on the night of the 17<sup>th</sup>, but we will be making a group reservation at a convenient hotel for those that would like to be with the coaches and group.
